

NCM Fascia LT

200+ MPH Windspeed Warranty

Superior Performance and Affordability in a fully customizable profile

NCM Fascia LT is engineered for dependable, high-performance wind protection while being cost-effective. The system includes a continuous pre-punched galvanized steel cleat, concealed splice plate, and a snap-on fascia cover for quick, efficient assembly.

Available in aluminum or steel with Kynar 500 finishes, Fascia LT delivers consistent quality and reliable field performance. NCM allows full profile customization without added lead time, helping projects stay on schedule and on budget.

Cover Material	Cleat Material	Face Size	ES-1 Certified Pressure
.040" Aluminum	22ga G-90	3" to 8"	-240 PSF
