

# NCM 100SS PROFILE

## IDEAL APPLICATION COMMERCIAL & RESIDENTIAL

Quality materials and more than 100 years of successful design application govern the construction of our NCM 100SS 1" mechanically seamed metal roof system. Ideal for light commercial or residential applications, this smartly detailed profile can be curved for enhanced architectural appeal. Installed as full-length panels with no end laps helps provide the ultimate in all-weather and watertight protection curved installations.
