Re: Versico Roofing Systems ANSI-SPRI ES-1 Certification

To Whom It May Concern:

This letter is to certify that New Castle Metals of Hicksville, NY has satisfied the Quality Assurance requirements set forth by the Versico Roofing System ES-1 Certification Approval Program and is an Authorized Fabricator of the edge metal profiles listed below. This certification requires Versico's annual audits, and currently is set to expire on 1-1-24. All Details, Print Approvals, Installation Guide, and Fabrication Drawings can be accessed on Versico's cloud storage site at:

<https://carlisleccm.box.com/s/710b05eacutoapl28r5hc2cb67g0l3f3>

ES-1 TESTED EDGE METAL SYSTEMS	
FASCIA	HP FASCIA
FASICA EC	DRIP EDGE
SPRING TITE GRAVEL STOP	GRAVEL STOP
SNAP LOCK GRAVEL STOP	SPRING TITE COPING
COPING	SPRING TITE COPING WITH CONTINUOUS CLEAT
HP SPRING TITE COPING	
GUTTER	HP GUTTER

Please note that the ES-1 test reports and approvals apply only to profiles fabricated as shown on the Versico fabrication drawings. All products must be fabricated using Versico warrantable metal on the equipment used at time of audit and in the location where the audit was performed. If you need additional information, please contact the Technical Department at (502) 716-7143.

Respectfully,
